In Government Order No. 3456-58/C.B.165-37-4 dated the 2nd May 1938, a contingent allotment of Rs. 100 per month has been sanctioned to this office. The sanction was accorded on a note submitted from this office stating that this amount was necessary to cover office contingent expenditure, subscription to daily newspapers (English and Vernacular), lunch charges etc. As the meeting of subscriptions towards daily newspapers and towards lunch charges has not been specifically mentioned in the Government Order, the Comptroller has objected to the amounts paid on these accounts and has asked that specific sanction of Government is necessary before the charges could be met. It is therefore requested that the incurring of such expenditure may be formally authorised. The expenditure on this account may not exceed Rs. 20/- per month for newspapers (English and Vernacular) and Rs. 30/- for lunch charges for each sitting of the Committee.
